Residential Sustainability Assessment Grant 2024/2025

Overview

The Residential Sustainability Assessment Grant program supports body corporates in residential strata-title buildings to undertake assessments to determine environmental performance, to raise community awareness on the opportunities for improvement, and to work towards resource efficiency and net-zero emissions. The grant supports projects that relate to common areas or provide communal benefit for residential occupants.

To guide and inform the City's direction and approach for the Residential Sustainability Assessment Grants, key priority outcomes which are aligned to the City's Strategic Community Plan and Sustainability Strategy have been identified.

Funding Available

Grants of up to \$10,000 (excluding GST) are available.

Payment of the grant will be 75% upfront on receipt of a valid invoice, with 25% retained until completion of a successful acquittal.

Key Dates

The City will accept applications for Residential Sustainability Assessment Grants at any time until 15 May 2025, and decisions will be made on a case-by-case basis in line with budget and strategic priorities.

Applicants are required to apply a minimum of 8 weeks prior to the start of the project and must complete approved assessments within twelve months from the date of approval.

This grant operates as exhaustive funding, and the City reserves the right to close the program once the available budget has been expended.

Documentation Required

Applicants will need to supply the following documentation:

- Details of past ratings, if applicable.
- Quotation outlining the scope of work to be completed from an accredited supplier.
- Evidence of financial viability through a recent bank statement or annual statement.
- A copy of the strata management agreement (applicable where a strata manager is applying on behalf of the owner's corporation).

- be a legally constituted body corporate/owners corporation of an existing residential strata-title building with an Australian Business Number (ABN), with at least four residential dwellings. Applications from mixed use strata are eligible to apply where the building is primarily residential strata (minimum 75% residential strata lots);
- be located within the City of Perth's local government area;
- have appropriate insurances, licenses and authorities where required;
- be using external suppliers that are appropriately certified to undertake assessments;
- have submitted the application prior to the project commencement date with sufficient time to enable consideration by the City; and
- demonstrate financial viability without the City's funding (an individual project may not be viable without the City's support, however the organisation must be).

The City will not consider applications from:

- applicants considered commercial, entertainment, or accommodation providers including short and long-term, serviced apartments, supported accommodation, hotels, or residential care;
- the Commonwealth or State Government Departments;
- a political party;
- an applicant that the City considers to support, promote or facilitate violence, intolerance or discrimination;
- an employee or elected member of the City, or their immediate family, however this does not include an application from an organisation that an employee, elected member or their immediate family member may be part of;
- an applicant that has outstanding debts to the City;
- an applicant who is in legal conflict with the City;
- an applicant that has failed to provide satisfactory acquittal reporting for any previous City funding;
- an applicant that has already received City funding (including in-kind) for the same project within the same financial year; or
- an applicant that conducts, or has conducted, themselves in a way the City considers to be injurious or prejudicial to the character or interest of the City.

The City will **not** consider applications for the following projects or project expenses:

- projects where the City consider the primary purpose to be political;
- projects that the City consider denigrate or exclude parts of the community or have an adverse effect on public health, safety, the environment or heritage;
- projects that request reimbursement of funds already spent;
- projects that are for debt reduction or operational deficits; and
- project legal expenses.

The City will not support recurrent operational funding, including, but not limited to wages, salaries, or administrative overheads. Further details on eligibility and requirements can be found in the [City's Sponsorship and Grants Policy](#).

If you have any questions please contact a City of Perth Sponsorship Officer on 08 9461 3333.
